

Chelmsford Teaching Schools Alliance

First Aid Course

Delivered by – Frinton Training Services

Course Content:

This course is designed to teach those working with children and babies the correct first aid procedures to be applied when faced with a variety of injuries/conditions. Some areas also include procedures for adults. Topics covered include responding appropriately to choking, shock, anaphylactic shock, suspected fractures and bleeding. Resuscitation techniques will also be covered, and recognising and responding to the emergency needs of children with chronic medical conditions including epilepsy, asthma and diabetes. A full syllabus is detailed below.

Upon reaching a competent standard in all units (assessment will be ongoing throughout the training) each student will receive a certificate of attainment. The certificate is **valid for 3 years** from the date of completion of the course.

There will be practical activities so comfortable clothes should be worn. Females should wear trousers.
