## Maths & English Subject Leader Updates 2020 - 2021

Delivered by Jonathan Bond & Gill Haysham, Independent Consultants

**IMPORTANT** - This year we will be delivering Maths and English updates **either** as single stand-alone subject sessions **or**, as we have done previously, with Gill and Jonathan providing updates in both subjects together in one session.

Please note that you will either sign up for all joint **OR** all single sessions.

### Aims of the Sessions:

- To develop the skills of the subject leader.
- To increase leaders' subject knowledge of maths and English.
- To update subject leaders on current developments in maths and English.

### Course Content:

This programme of termly updates aims to give subject leaders a chance to meet together, build up their knowledge and leadership skills, and remain abreast of local and national news, materials and resources. Sessions will include the sharing of local and national materials and resources supporting our developing understanding of English and mathematics mastery practice. Sessions will also cover, when appropriate, any developments in KS1 & 2 testing, assessment and Ofsted. The single subject sessions will allow more time for discussion and in depth exploration of the topics covered as well as some additional content.
